wePresent

Your ideas, your way

With a three tiered series, wePresent provides networked integrated wireless presentation solutions for any environment and any device.

Present series: our entry level system

WiPG-1000 - Our basic 1080p wireless presentation system offering screen sharing from any device, includes an auto-on feature. This product is not available for sale in the US.
Interact series: engaging features

WiPG-1600W - Seamlessly integrates into existing LAN networks, making it the ideal solution for classrooms and small huddle spaces.

Collaborate series: our flag ship system

WiCS-2100 - Seamless sharing, improved BYOD compatibility and intuitive on screen moderator controls.
